III. STAFF HEARING OFFICER APPEAL

APPLICATION OF WADE DAVIS DESIGN, AGENT FOR VINCENT AND KATHY TUCKER, OWNERS, 1540 FRANCESCHI ROAD, APN 019-102-038, RS-25 RESIDENTIAL SINGLE UNIT ZONE, GENERAL PLAN DESIGNATION: LOW DENSITY RESIDENTIAL (2 DWELLING UNITS/ACRE) (MST2017-00355) CONTINUED FROM THE DECEMBER 14, 2017 HEARING

The purpose of this hearing is for the Planning Commission to consider an appeal filed by the applicant of the Staff Hearing Officer (SHO)'s denial of a requested setback modification on October 11, 2017. The applicant is specifically appealing the SHO's denial of a 4-foot southern deck extension in the required secondary front setback. The proposed deck extension would encroach an additional four feet into the secondary front setback, with a total depth of 14 feet into the required 25-foot setback.

Three other modifications were approved by the SHO to allow improvements in the front setback, in the secondary front setback, and to allow the open yard to be located within the secondary front setback. Those approvals are not being appealed.

The proposal is to construct various improvements for the existing dwelling, including a new interior stairway, conversion of residential square footage to habitable space, window changes along the northern side of the dwelling, and second-story deck extensions on the western and southern façades. SHO review and approval was required because the additions and alterations to the dwelling along the north façade, as well as the western deck extension, are all proposed in the primary front setback, while the proposed southern deck extension is in the secondary front setback.

The SHO-approved project would allow for a 3,470 square foot residence, 79% of the guideline maximum floor-to-lot-area ratio (FAR).

The discretionary applications required for this project are:

- A. A Primary Front Setback Modification to allow additions and alterations on the north side of the dwelling and a deck extension on the west side of the dwelling to encroach within the required 25-foot primary front setback (SBMC § 30.20.030.A and SBMC § 30.250.020.B);
- B. An Open Yard Modification to allow the open yard area to be located within the secondary front yard (SBMC 30.140.140.E); and
- C. A Secondary Front Setback Modification to allow a deck extension on the south side of the dwelling to encroach within the required 25-foot secondary front setback.

(Please note: Only the secondary front setback modification is under Planning Commission review.)

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301 and 15305 (Existing Facilities and Minor Alterations to Land Use Limitations).

IV. RECOMMENDATION TO AMEND MUNICIPAL CODE
CONTINUED FROM THE DECEMBER 14, 2017 HEARING

Planning Commission review of proposed amendments to the Municipal Code to establish development regulations for Accessory Dwelling Units (ADUs). Effective January 1, 2017, state legislation superseded sections of the City's regulations for secondary dwelling units and accessory dwelling units that were inconsistent with Government Code Section 65852.2. Until the City adopts its own ADU Ordinance, it is required to ministerially approve ADUs if the unit complies with state standards including certain parking requirements, the maximum allowable size of an ADU, and setback requirements.

Staff recommends that the Planning Commission review proposed amendments to the Zoning Ordinance to adopt an Accessory Dwelling Unit Ordinance and forward a recommendation to the City Council for adoption.
